

DALAUN

ARTIST | MUSICIAN | BUSINESS OWNER

ABOUT

Dalaun is an R&B/Soul musician born and raised in Oakland, California. She was introduced to music by her father and grandmother, both casual musicians of their time, and their love of music transferred over to her early on. She began piano lessons at the age of five and had her first opportunity to sing in her church at the age of six. From there, she made it her mission to learn and understand music. Dalaun has attended performing arts schools since junior high and most recently attended the prestigious Berklee College of Music where she graduated with a Bachelor's Degree in Music Business/Management in 2017. She has been blessed with many opportunities including a cameo role in Daddy's Home 2, appearances on NBC's The Sing-Off and America's Got Talent, and background gigs for artists such as CAKE and Pentatonix, along with many others. She is extremely excited to be creating content of her own and working on her individual artistry. Her first album, Declaration, is available now.
